

## QUALITY, ENVIOEMENT AND INFORMATION SECURITY POLICY

ELECTRÓNICA Y MANTEMIENTO BAMA S.L., establishes this **Integrated Policy** as a framework of reference for its Management System, aligned with **ISO 9001, ISO 14001 and INFORMATION SECURITY standards**, oriented toward customer satisfaction, environmental protection and information security, ensuring business continuity and the trust of interested parties.

Management assumes **Information Security** as a strategic objective, guaranteeing the **confidentiality, integrity and availability** of information, as well as the **quality of products and services** and the **prevention of environmental pollution**.

In accordance with the above, the organization commits to:

- Comply with **legal, regulatory, contractual requirements and other requirements** applicable to the organization.
- **Continuously improving** the effectiveness of the Integrated Management System, establishing and reviewing **measurable objectives**.
- Guarantee **customer satisfaction** through compliant, competitive products and services delivered on time.
- **Prevent pollution** and protect the environment through the identification and proper management of environmental aspects.
- Promote the **efficient use of resources**, waste reduction and responsible energy consumption.
- Protect **information assets** against unauthorized access, loss, alteration or unavailability.
- **Evaluate and treat risks and opportunities**, including risks related to information security.
- Ensure **business continuity** through contingency and recovery plans.
- **Train and raise awareness among personnel** regarding quality, environment and information security.
- Require compliance with this policy from **employees, collaborators and business partners**, establishing the necessary contractual requirements and applying appropriate legal measures in case of non-compliance.

This Policy is **communicated, understood and applied** at all levels of the organization, is **periodically reviewed** and is **available to interested parties**.
